Summer Riding Camp: After determining the camper's skill level, each student is assigned their own horse to ride and care for under close supervision of a qualified instructor. Horse and rider are matched according to individual requirements and degree of training. More advanced students are encouraged to bring their own horses (keep in mind our location and the distance from your location).

From the program's start, students learn how to handle themselves around horses and how to keep themselves and their horses safe. Students learn how to catch, halter, lead, groom, saddle, and bridle. They will learn the daily responsibilities for taking care of a horse.

All campers will receive two classes of riding each day (approximately 4 hours including grooming and tacking). Time is allowed for students to enjoy other activities both indoors and out. Periodic evaluations are made so that each student has the opportunity to advance as their ability increases.

Cost: \$500 per participant per camp – Includes horse (if needed), food, overnight camping, daily awards and prizes, entered in JJ Arena Tuesday Night Pee Wee Barrels, Candy Dash & all Fun Show Classes. If you child would not want to stay over night pickup time is 6pm and drop off time is 8:30am.
